

LUCKY LADIES DOUBLE DECK BLACKJACK

In addition to the Blackjack wager there are two optional wagers — Lucky Ladies and Lucky Ladies Bonus Jackpot — which will be paid on hands totaling 20 using the first two cards dealt.

All Lucky Ladies rules apply unless noted below.

PROCEDURES OF PLAY:

1. Allow the players to split Aces up to four (4) times with one (1) down card (hit card) for each.
2. Players may double down on any two cards.
3. Players may play:
Two (2) hands at double the minimum to the table maximum bet.
Three (3) hands at five times the minimum to the table maximum bet.
4. First two cards dealt face down.
5. Once the hand is acted upon they cannot go back to the previously acted upon hand for any reason.
6. NEW PLAYERS MAY NOT ENTER UNTIL THE BEGINNING OF THE SHOE.
NO MID-SHOE ENTRY.
7. The shuffle will be thoroughly completed by an automatic shuffler as described in regular Lucky Ladies Blackjack.
8. Player may double down after a split except on an Ace.
9. No surrender.
10. The dealer will use two cut cards, one to cut with, the other used to cover the back of the deck so cards are not exposed.
